Dear Residents:

The village has started our next waterline improvement project which improves capacity, volume and pressure on the east side. This is Phase 2 of the water improvement project, Phase 1 completed on the west side a few years ago. This project installs a new 8" supply line tying the two towers together running along Ashley Rd, South and Harrison Streets. Replacing 6" iron pipes installed in the 1930's which are long past their useful life. This will provide the supply "backbone" for the future side laterals extending into adjacent streets. Total project cost is approximately \$2.1 Million and is funded by a 500K grant and a 0% interest loan from the Ohio Public Works Commission, as well as our water capital improvements fund. For more information, please contact the Mayor's office or attend a Village Council or Board of Public Affairs meeting.

We are conducting a water service line inventory identifying the types of water supply lines connecting all households to our main water supply lines. The Ohio EPA is requiring all public water systems to conduct this survey to identify any lead pipes in current service. If your water meter is inside your home, please complete the self-survey we mailed or call the utility office to schedule an inspection by the village staff.

We have approved engineering plans and Ohio EPA permits to make improvements at the Waste Water Treatment Plant, and are pursuing funding opportunities as they become available.

I'd like to congratulate the Ashley American Legion and Auxiliary for organizing and operating the Ashley Corn Show. It was a great success and we look forward to next year's Show building from this year's great events. JOB WELL DONE!!!

David Lockhart

Emergency Preparedness for Delaware County Families
Tuesday, September 17, 2024 at 2:00pm
at the Wornstaff Library

Join Alex McCarthy, Director of Delaware County Emergency Management for a presentation to discuss the various hazards that may impact homes and businesses in Delaware County.

Open Position

We have an open position in our Maintenance/Street Department for the Village of Ashley.

If you are interested in this position please stop in the office and fill out an application. Applications can also be found on our website at villageofashley.org.

Water Bills

We have been notified that several residents have not received their water bill in the mail. FYI - They are mailed out at the end of the month for the following month. You should receive your bill by the 5th of the month. All water bills are due on the 15th of the month. So, if you do not receive your bill please call the office at 740-747-2889 to get your total amount due before penalties are added. Thank you.

Join the Wornstaff Walkers

Come join Wornstaff Memorial Public Library's Walking Program.

The program will begin Wednesday, August 21, 2024 at 10:30 AM and run for 7 weeks.

Trackers will be provided and put into an end of program raffle.
