§ 1.01 APPLICATION OF CHAPTER I.

(A) Chapter I of this code of ordinances embodies and prescribes penalties for offenses against the municipality not classifiable elsewhere. The word “misdemeanors”, as used in this title, is not exhaustive and does not imply that offenses found elsewhere in this code of ordinances are not also misdemeanors and punishable as such.

(B) Each act or omission for which a fine is provided under this Chapter or elsewhere in this code, or each act or omission which is declared a violation of this code, is unlawful and is hereby made a misdemeanor. Upon conviction, the penalty or penalties so provided shall be imposed by the court.

§ 1.02 DEFINITIONS.

For the purpose of this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

OFFENSE OF VIOLENCE.

(1) A violation of R.C. § 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2903.13, 2903.15, 2903.21, 2903.211, 2903.22, 2905.01, 2905.02, 2905.11, 2905.32, 2907.02, 2907.03, 2907.05, 2909.02, 2909.03, 2909.24, 2911.01, 2911.02, 2911.11, 2917.01, 2917.02, 2917.03, 2917.31, 2919.25, 2921.03, 2921.04, 2921.34, or 2923.161, division (A)(1), (A)(2) or (A)(3) of R.C. § 2911.12, or of division (B)(1), (B)(2), (B)(3) or (B)(4) of R.C. § 2919.22, or felonious sexual penetration in violation of former R.C. § 2907.12;

PERSON.

(1) (a) Subject to division (2) of this definition, as used in any section contained in Chapter I of this code that sets forth a criminal offense, the term includes all of the following:

1. An individual, corporation, business trust, estate, trust, partnership and association.

(b) As used in any section contained in Chapter I of this code that does not set forth a criminal offense, the term includes an individual, corporation, business trust, estate, partnership and association.

PHYSICAL HARM TO PERSONS. Any injury, illness, or other physiological impairment, regardless of its gravity or duration.

PHYSICAL HARM TO PROPERTY. Any tangible or intangible damage to property that, in any degree, results in loss to its value or interferes with its use or enjoyment. The term does not include wear and tear occasioned by normal use.

PRIVILEGE. An immunity, license, or right conferred by law, or bestowed by express or implied grant, or arising out of status, position, office, or relationship, or growing out of necessity.

PROPERTY.

(1) Any property, real or personal, tangible or intangible, and any interest or license in that property. The term includes but is not limited to cable television service, other telecommunications service, telecommunications devices, information service, computers, data, computer software, financial instruments associated with computers, other documents associated with computers, or copies of the documents, whether in machine or human-readable form, trade secrets, trademarks, copyrights, patents, and property protected by a trademark, copyright or patent. "Financial instruments associated with computers" include but are not limited to checks, drafts, warrants, money orders, notes of indebtedness, certificates of deposit, letters of credit, bills of credit or debit cards, financial transaction authorization mechanisms, marketable securities, or any computer system representations of any of them.

(2) As used in this definition, "trade secret" has the same meaning as in R.C. § 1333.61, and "telecommunications service" and "information service" have the same meanings as in R.C. § 2913.01.

(3) As used in this definition and in the definition of "contraband" in this section, "cable television service," "computer," "computer network," "computer software," "computer system," "data," and "telecommunications device" have the same meanings as in R.C. § 2913.01.

REPEAT OFFENDER. A person who has a history of persistent criminal activity and whose character and condition reveal a substantial risk that he or she will commit another offense. It is prima facie evidence that a person is a repeat offender if any of the following applies:

(1) Having been convicted of one or more offenses of violence, as defined in R.C. § 2901.01, and having been imprisoned pursuant to sentence for one or more of those offenses, he or she commits a subsequent offense of violence;

(2) Having been convicted of one or more sexually oriented offenses, as defined in R.C. § 2950.01, and having been imprisoned pursuant to sentence for one or more of those offenses, he or she commits a subsequent sexually oriented offense;

(3) Having been convicted of one or more theft offenses, as defined in R.C. § 2913.01, and having been imprisoned pursuant to sentence for one or more of those offenses, he or she commits a subsequent theft offense;

(4) Having been convicted of one or more felony drug abuse offenses, as defined in R.C. § 2925.01, and having been imprisoned pursuant to sentence for one or more of those offenses, he or she commits a subsequent felony drug abuse offense;

(5) Having been convicted of two or more felonies, and having been imprisoned pursuant to sentence for any such offense, he or she commits a subsequent offense;

(6) Having been convicted of three or more offenses of any type or degree other than traffic offenses, alcoholic intoxication offenses, or minor misdemeanors, and having been imprisoned pursuant to sentence for any such offense, he or she commits a subsequent offense.

- (1) Any mental illness or condition of such gravity as would normally require hospitalization or prolonged psychiatric treatment;

- (5) Any physical harm that involves acute pain of such duration as to result in substantial suffering, or that involves any degree of prolonged or intractable pain.

SERIOUS PHYSICAL HARM TO PROPERTY. Any physical harm to property that does either of the following:

- (1) Results in substantial loss to the value of the property, or requires a substantial amount of time, effort, or money to repair or replace;
- (2) Temporarily prevents the use or enjoyment of the property, or substantially interferes with its use or enjoyment for an extended period of time.

SUBSTANTIAL RISK. A strong possibility, as contrasted with a remote or significant possibility, that a certain result may occur or that certain circumstances may exist.

§ 1.03 CLASSIFICATION OF OFFENSES.

As used in this Title:

(A) Offenses include misdemeanors of the first, second, third, and fourth degree, minor misdemeanors, and offenses not specifically classified.

(B) Regardless of the penalty that may be imposed, any offense specifically classified as a misdemeanor is a misdemeanor.

(C) Any offense not specifically classified is a minor misdemeanor if the only penalty that may be imposed is one of the following:

- (1) For an offense committed on or after January 1, 2004, a fine not exceeding \$150, community service under R.C. § 2929.27(D), or a financial sanction other than a fine under R.C. § 2929.28.

§ 1.04 COMMON LAW OFFENSES ABROGATED.

(A) No conduct constitutes a criminal offense against the municipality unless it is defined as an offense in this code.

(B) An offense is defined when one or more sections of this code state a positive prohibition or enjoin a specific duty, and provide a penalty for violation of such prohibition or failure to meet such duty.

(C) This section does not affect the power of a court to punish for contempt or to employ any sanction authorized by

law to enforce an order, civil judgment or decree.

§ 1.05 RULES OF CONSTRUCTION.

(A) Except as otherwise provided in division (C) or (D) of this section, sections of this code defining offenses or penalties shall be strictly construed against the municipality and liberally construed in favor of the accused.

(B) Rules of criminal procedure and sections of this code providing for criminal procedure shall be construed so as to effect the fair, impartial, speedy, and sure administration of justice.

(C) Any provision of a section of this code that refers to a previous conviction of or plea of guilty to a violation of a section of this code, the Ohio Revised Code or a division of a section of this code or the Ohio Revised Code shall be construed to also refer to a previous conviction of or plea of guilty to a substantially equivalent offense under an existing or former law of this municipality, state, another state, or the United States or under an existing or former municipal ordinance.

(D) Any provision of this code that refers to a section, or to a division of a section, of this code that defines or specifies a criminal offense shall be construed to also refer to an existing or former law of this state, another state, or the United States, to an existing or former municipal ordinance, or to an existing or former division of any such existing or former law or ordinance that defines or specifies, or that defined or specified, a substantially equivalent offense.

§ 1.06 LIMITATION OF CRIMINAL PROSECUTIONS.

(A) A prosecution shall be barred unless it is commenced within the following periods after an offense is committed:

- (a) For a misdemeanor other than a minor misdemeanor, two years;
- (b) For a minor misdemeanor, six months.

(B) An offense is committed when every element of the offense occurs. In the case of an offense of which an element is a continuing course of conduct, the period of limitation does not begin to run until such course of conduct or the accused's accountability for it terminates, whichever occurs first.

(C) A prosecution is commenced on the date an information is filed, or on the date a lawful arrest without a warrant is made, or on the date a warrant, summons, citation, or other process is issued, whichever occurs first. A prosecution is not commenced by the return of a filing of an information unless reasonable diligence is exercised to issue and execute process on the same. A prosecution is not commenced upon issuance of a warrant, summons, citation, or other process unless reasonable diligence is exercised to execute the same.

(D) The period of limitation shall not run during any time when the corpus delicti remains undiscovered.

(E) The period of limitation shall not run during any time when the accused purposely avoids prosecution. Proof that the accused departed this municipality or conceals the accused's identity or whereabouts is prima facie evidence of the accused's purpose to avoid prosecution.

(F) The period of limitation shall not run during any time a prosecution against the accused based on the same conduct is pending in this state, even though the information, or process that commenced the prosecution is quashed or the proceedings on the information, or process are set aside or reversed on appeal.

(G) As used in this section, **PEACE OFFICER** has the same meaning as in R.C. § 2935.01.

§ 1.07 REQUIREMENTS FOR CRIMINAL LIABILITY; VOLUNTARY INTOXICATION.

(A) Except as provided in division (B) of this section, a person is not guilty of an offense unless both of the following apply:

(1) The person's liability is based on conduct that includes either a voluntary act, or an omission to perform an act or duty that the person is capable of performing;

(2) The person has the requisite degree of culpability for each element as to which a culpable mental state is specified by the language defining the offense.

(B) When the language defining an offense does not specify any degree of culpability, and plainly indicates a purpose to impose strict criminal liability for the conduct described in the section, then culpability is not required for a person to be guilty of the offense. The fact that one division of a section plainly indicates a purpose to impose strict liability for an offense defined in that division does not by itself plainly indicate a purpose to impose strict criminal liability for an offense defined in other divisions of the section that do not specify a degree of culpability.

(C) (1) When language defining an element of an offense that is related to knowledge or intent or to which mens rea could fairly be applied neither specifies culpability nor plainly indicates a purpose to impose strict liability, the element of the offense is established only if a person acts recklessly.

(2) Division (C)(1) of this section does not apply to offenses defined in R.C. Title XLV.

(3) Division (C)(1) of this section does not relieve the prosecution of the burden of proving the culpable mental state required by any definition incorporated into the offense.

(D) Voluntary intoxication may not be taken into consideration in determining the existence of a mental state that is an element of a criminal offense. Voluntary intoxication does not relieve a person of a duty to act if failure to act constitutes a criminal offense. Evidence that a person was voluntarily intoxicated may be admissible to show whether or not the person was physically capable of performing the act with which the person is charged.

(E) As used in this section:

CULPABILITY. Means purpose, knowledge, recklessness, or negligence, as defined in R.C. § 2901.22.

INTOXICATION. Includes but is not limited to intoxication resulting from the ingestion of alcohol, a drug, or alcohol and a drug.

INVOLUNTARY ACTS. Means reflexes, convulsions, body movements during unconsciousness or sleep, and body movements that are not otherwise a product of the actor's volition are involuntary acts.

POSSESSION. Means a voluntary act if the possessor knowingly procured or received the thing possessed, or was aware of the possessor's control of the thing possessed for a sufficient time to have ended possession.

§ 1.08 CULPABLE MENTAL STATES.

(A) A person acts purposely when it is the person's specific intention to cause a certain result, or, when the gist of the offense is a prohibition against conduct of a certain nature, regardless of what the offender intends to accomplish thereby, it is the offender's specific intention to engage in conduct of that nature.

(B) A person acts knowingly, regardless of purpose, when the person is aware that the person's conduct will probably cause a certain result or will probably be of a certain nature. A person has knowledge of circumstances when the person is aware that such circumstances probably exist. When knowledge of the existence of a particular fact is an element of an offense, such knowledge is established if a person subjectively believes that there is a high probability of its existence and fails to make inquiry or acts with a conscious purpose to avoid learning the fact.

(C) A person acts recklessly when, with heedless indifference to the consequences, the person disregards a substantial and unjustifiable risk that the person's conduct is likely to cause a certain result or is likely to be of a certain nature. A person is reckless with respect to circumstances when, with heedless indifference to the consequences, the person disregards a substantial and unjustifiable risk that such circumstances are likely to exist.

(D) A person acts negligently when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that the person's conduct may cause a certain result or may be of a certain nature. A person is negligent with respect to circumstances when, because of a substantial lapse from due care, the person fails to perceive or avoid a risk that such circumstances may exist.

(E) When the section defining an offense provides that negligence suffices to establish an element thereof, then recklessness, knowledge, or purpose is also sufficient culpability for such element. When recklessness suffices to establish an element of an offense, then knowledge or purpose is also sufficient culpability for such element. When knowledge suffices to establish an element of an offense, then purpose is also sufficient culpability for such element.

§ 1.09 ORGANIZATIONAL CRIMINAL LIABILITY.

(A) An organization may be convicted of an offense under any of the following circumstances:

(1) The offense is a minor misdemeanor committed by an officer, agent, or employee of the organization acting in its behalf and within the scope of the officer's, agent's, or employee's office or employment, except that if the section defining the offense designates the officers, agents, or employees for whose conduct the organization is accountable or the circumstances under which it is accountable, those provisions shall apply.

(2) A purpose to impose organizational liability plainly appears in the section defining the offense, and the offense is committed by an officer, agent, or employee of the organization acting in its behalf and within the scope of the officer's, agent's, or employee's office or employment, except that if the section defining the offense designates the officers, agents, or employees for whose conduct the organization is accountable or the circumstances under which it is accountable, those provisions shall apply.

(3) The offense consists of an omission to discharge a specific duty imposed by law on the organization.

(4) If, acting with the kind of culpability otherwise required for the commission of the offense, its commission was authorized, requested, commanded, tolerated, or performed by the board of directors, trustees, partners, or by a high managerial officer, agent, or employee acting in behalf of the organization and within the scope of such a board's or person's office or employment.

(B) If strict liability is imposed for the commission of an offense, a purpose to impose organizational liability shall be presumed, unless the contrary plainly appears.

(C) In a prosecution of an organization for an offense other than one for which strict liability is imposed, it is a defense that the high managerial officer, agent, or employee having supervisory responsibility over the subject matter of the offense exercised due diligence to prevent its commission. This defense is not available if it plainly appears inconsistent with the purpose of the section defining the offense.

(D) As used in this section, **ORGANIZATION** means a corporation for profit or not for profit, partnership, limited partnership, joint venture, unincorporated nonprofit association, estate, trust, or other commercial or legal entity. The term does not include an entity organized as or by a governmental agency for the execution of a governmental program.

§ 1.10 PERSONAL ACCOUNTABILITY FOR ORGANIZATIONAL CONDUCT.

(A) An officer, agent, or employee of an organization, as defined in R.C. § 2901.23, may be prosecuted for an offense committed by such organization, if he or she acts with the kind of culpability required for the commission of the offense, and any of the following apply:

(1) In the name of the organization or in its behalf, he or she engages in conduct constituting the offense, or causes another to engage in such conduct, or tolerates such conduct when it is of a type for which he or she has direct responsibility;

(2) He or she has primary responsibility to discharge a duty imposed on the organization by law, and such duty is not discharged.

(B) When a person is convicted of an offense by reason of this section, he or she is subject to the same penalty as if he or she had acted in his or her own behalf.

§ 1.11 ATTEMPT.

(A) No person, purposely or knowingly, and when purpose or knowledge is sufficient culpability for the commission of an offense, shall engage in conduct that, if successful, would constitute or result in the offense.

(B) It is no defense to a charge under this section that, in retrospect, commission of the offense that was the object of the attempt was either factually or legally impossible under the attendant circumstances, if that offense could have been committed had the attendant circumstances been as the actor believed them to be.

(C) No person who is convicted of committing a specific offense, of complicity in the commission of an offense, or of conspiracy to commit an offense, shall be convicted of an attempt to commit the same offense in violation of this section.

(D) It is an affirmative defense to a charge under this section that the actor abandoned his or her effort to commit the offense or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of

his or her criminal purpose.

(E) Whoever violates this section is guilty of an attempt to commit an offense. An attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense is an offense of the same degree as the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt. An attempt to commit any other offense is an offense of the next lesser degree than the offense attempted. In the case of an attempt to commit an offense other than a violation of R.C. Chapter 3734 that is not specifically classified, an attempt is a misdemeanor fourth degree if the offense attempted is a misdemeanor. An attempt to commit a minor misdemeanor, or to engage in conspiracy, is not an offense under this section.

(F) As used in this section:

DRUG ABUSE OFFENSE. Has the same meaning as in R.C. § 2925.01.

§ 1.12 COMPLICITY.

(A) No person, acting with the kind of culpability required for the commission of an offense, shall do any of the following:

- (1) Solicit or procure another to commit the offense;
- (2) Aid or abet another in committing the offense;
- (3) Conspire with another to commit the offense in violation of R.C. § 2923.01;
- (4) Cause an innocent or irresponsible person to commit the offense.

(B) It is no defense to a charge under this section that no person with whom the accused was in complicity has been convicted as a principal offender.

(C) No person shall be convicted of complicity under this section unless an offense is actually committed, but a person may be convicted of complicity in an attempt to commit an offense in violation of R.C. § 2923.02 or a substantially equivalent municipal ordinance.

(D) It is an affirmative defense to a charge under this section that, prior to the commission of or attempt to commit the offense, the actor terminated his or her complicity, under circumstances manifesting a complete and voluntary renunciation of his or her criminal purpose.

(E) Whoever violates this section is guilty of complicity in the commission of an offense, and shall be prosecuted and punished as if he or she were a principal offender. A charge of complicity may be stated in terms of this section, or in terms of the principal offense.

§ 1.13 PRESUMPTION OF INNOCENCE; PROOF OF OFFENSE; AFFIRMATIVE DEFENSE.

(A) Every person accused of an offense is presumed innocent until proven guilty beyond a reasonable doubt, and the burden of proof for all elements of the offense is upon the prosecution. The burden of going forward with the evidence of an affirmative defense, and the burden of proof by a preponderance of the evidence, for an affirmative defense, is upon the accused.

(B) (1) Subject to division (B)(2) of this section, a person is presumed to have acted in self defense or defense of another when using defensive force that is intended or likely to cause death or great bodily harm to another if the person against whom the defensive force is used is in the process of unlawfully and without privilege to do so entering, or has unlawfully and without privilege to do so entered, the residence or vehicle occupied by the person using the defensive force.

(2) (a) The presumption set forth in division (B)(1) of this section does not apply if the person against whom the defensive force is used has a right to be in, or is a lawful resident of, the residence or vehicle.

(b) The presumption set forth in division (B)(1) of this section does not apply if the person who uses the defensive force uses it while in a residence or vehicle and the person is unlawfully, and without privilege to be, in that

residence or vehicle.

(3) The presumption set forth in division (B)(1) of this section is a rebuttable presumption and may be rebutted by a preponderance of the evidence.

(C) As used in this section:

AFFIRMATIVE DEFENSE. An affirmative defense is either of the following:

(a) A defense expressly designated as affirmative;

(b) A defense involving an excuse or justification peculiarly within the knowledge of the accused, on which the accused can fairly be required to adduce supporting evidence.

DWELLING. Means a building or conveyance of any kind that has a roof over it and that is designed to be occupied by people lodging in the building or conveyance at night, regardless of whether the building or conveyance is temporary or permanent or is mobile or immobile. As used in this division, a building or conveyance includes but is not limited to an attached porch, and a building or conveyance with a roof over it includes but is not limited to a tent.

PROOF BEYOND A REASONABLE DOUBT. Proof of such character that an ordinary person would be willing to rely and act upon it in the most important of the person's own affairs.

REASONABLE DOUBT. Reasonable doubt is present when the jurors, after they have carefully considered and compared all the evidence, cannot say they are firmly convinced of the truth of the charge. It is a doubt based on reasonable and common sense. The term is not mere possible doubt, because everything relating to human affairs or depending on moral evidence is open to some possible or imaginary doubt.

RESIDENCE. Means a dwelling in which a person resides either temporarily or permanently or is visiting as a guest.

VEHICLE. Means a conveyance of any kind, whether or not motorized, that is designed to transport people or property.

§ 1.14 BATTERED WOMAN SYNDROME.

(A) The municipality hereby declares that it recognizes both of the following, in relation to the "battered woman syndrome": that the syndrome currently is a matter of commonly accepted scientific knowledge, and that the subject matter and details of the syndrome are not within the general understanding or experience of a person who is a member of the general populace and are not within the field of common knowledge.

(B) If a person is charged with an offense involving the use of force against another and the person, as a defense to the offense charged, raises the affirmative defense of self defense, the person may introduce expert testimony of the "battered woman syndrome" and expert testimony that the person suffered from that syndrome as evidence to establish the requisite belief of an imminent danger of death or great bodily harm that is necessary, as an element of the affirmative defense, to justify the person's use of force in question. The introduction of any expert testimony under this division shall be in accordance with the Ohio Rules of Evidence.

§ 1.15 DELINQUENCY ADJUDICATIONS DEEMED CONVICTIONS.

(A) If a person is alleged to have committed an offense and if the person previously has been adjudicated a delinquent child or juvenile traffic offender for a violation of a law or ordinance, except as provided in division (B) of this section, the adjudication as a delinquent child or as a juvenile traffic offender is a conviction for a violation of the law for purposes of determining the offense with which the person should be charged and, if the person is convicted of or pleads guilty to an offense, the sentence to be imposed upon the person relative to the conviction or guilty plea.

(B) A previous adjudication of a person as a delinquent child or juvenile traffic offender for a violation of a law or ordinance is not a conviction for a violation of the law or ordinance for purposes of determining whether the person is a repeat violent offender, as defined in R.C. § 2929.01, or whether the person should be sentenced as a repeat violent offender under R.C. § 2929.14(B)(2) and R.C. § 2941.149.

§ 1.16 CRIMINAL LAW JURISDICTION.

(A) A person is subject to criminal prosecution and punishment in this municipality if any of the following occur:

(1) The person commits an offense under the laws of this municipality, any element of which takes place in this municipality;

(2) While in this municipality, the person attempts to commit, or is guilty of complicity in the commission of, an offense in another jurisdiction, which offense is an offense under both the laws of this municipality and the other jurisdiction, or, while in this municipality, the person conspires to commit an offense in another jurisdiction, which offense is an offense under both the laws of this municipality and the other jurisdiction, and a substantial overt act in furtherance of the conspiracy is undertaken in this municipality by the person or another person involved in the conspiracy, subsequent to the person's entrance into the conspiracy. In any case in which a person attempts to commit, is guilty of complicity in the commission of, or conspires to commit an offense in another jurisdiction as described in this division, the person is subject to criminal prosecution and punishment in this municipality for the attempt, complicity, or conspiracy, and for any resulting offense that is committed or completed in the other jurisdiction;

(3) While out of this municipality, the person conspires or attempts to commit, or is guilty of complicity in the commission of, an offense in this municipality;

(4) While out of this municipality, the person omits to perform a legal duty imposed by the laws of this municipality, which omission affects a legitimate interest of the municipality in protecting, governing or regulating any person, property, thing, transaction, or activity in this municipality;

(5) While out of this municipality, the person unlawfully takes or retains property and subsequently brings any of the unlawfully taken or retained property into this municipality;

(6) While out of this municipality, the person unlawfully takes or entices another person and subsequently brings the other person into this municipality;

(7) The person, by means of a computer, computer system, computer network, telecommunication, telecommunications device, telecommunications service, or information service, causes or knowingly permits any writing, data, image or other telecommunication to be disseminated or transmitted into this municipality in violation of the law of this state or municipality.

(B) This municipality includes the land and water within its boundaries and the air space above that land and water, with respect to which this municipality has either exclusive or concurrent legislative jurisdiction. Where the boundary between this municipality and another jurisdiction is disputed, the disputed territory is conclusively presumed to be within this municipality for purposes of this section.

(C) When an offense is committed under the laws of this municipality, and it appears beyond a reasonable doubt that the offense or any element of the offense took place either in this municipality or in another jurisdiction or jurisdictions, but it cannot reasonably be determined in which it took place, the offense or element is conclusively presumed to have taken place in this municipality for purposes of this section.

(D) When a person is subject to criminal prosecution and punishment in this municipality for an offense committed or completed outside this municipality, the person is subject to all specifications for that offense that would be applicable if the offense had been committed within this municipality.

(E) Any act, conduct, or element that is a basis of a person being subject under this section to criminal prosecution and punishment in this municipality need not be committed personally by the person as long as it is committed by another person who is in complicity or conspiracy with the person.

(F) This section shall be liberally construed, consistent with constitutional limitations, to allow this municipality the broadest possible jurisdiction over offenses and persons committing offenses in, or affecting, this municipality.

(G) For purposes of division (A)(2) of this section, an overt act is substantial when it is of a character that manifests a purpose on the part of the actor that the object of the conspiracy should be completed.

(H) As used in this section, **COMPUTER, COMPUTER SYSTEM, COMPUTER NETWORK, INFORMATION SERVICE, TELECOMMUNICATION, TELECOMMUNICATIONS DEVICE, TELECOMMUNICATIONS SERVICE, DATA** and **WRITING** have the same meanings as in R.C. § 2913.01.

§ 1.17 DISPOSITION OF UNCLAIMED OR FORFEITED PROPERTY HELD BY POLICE DEPARTMENT.

(A) Safekeeping of property in custody.

(1) (a) Any property that has been lost, abandoned, stolen, seized pursuant to a search warrant, or otherwise lawfully seized or forfeited and that is in the custody of the Police Department shall be kept safely by the Police Department, pending the time it no longer is needed as evidence or for another lawful purpose, and shall be disposed of pursuant to this section or R.C. §§ 2981.12 and 2981.13.

(b) This section does not apply to the custody and disposal of any of the following:

1. Vehicles subject to forfeiture under R.C. Title 45, except as provided in division (B)(1)(f) of this section;
2. Abandoned junk motor vehicles or other property of negligible value;
3. Property held by a department of rehabilitation and correction institution that is unclaimed, that does not have an identified owner, that the owner agrees to dispose of, or that is identified by the department as having little value;
4. Animals taken, and devices used in unlawfully taking animals, under R.C. § 1531.20;

Property held and disposed of under an ordinance of the municipality or under R.C. §§ 737.29 to 737.33, except that if the municipality has received notice of a citizens' reward program as provided in division (B)(5) of this section and disposes of property under an ordinance shall pay 25% of any moneys acquired from any sale or auction to the citizens' reward program.

(2) (a) The Police Department shall adopt and comply with a written internal control policy that does all of the following:

1. Provides for keeping detailed records as to the amount of property acquired by the Police Department and the date property was acquired;
2. Provides for keeping detailed records of the disposition of the property, which shall include but not be limited to both of the following:
 - a. The manner in which it was disposed, the date of disposition, detailed financial records concerning any property sold, and the name of any person who received the property. The record shall not identify or enable identification of the individual officer who seized any item of property.
 - b. The general types of expenditures made with amounts that are gained from the sale of the property and that are retained by the agency, including the specific amount expended on each general type of expenditure, except that the policy shall not provide for or permit the identification of any specific expenditure that is made in an ongoing investigation.
3. Complies with R.C. § 2981.13 if the Police Department has a Law Enforcement Trust Fund or similar fund created under that section.

(b) The records kept under the internal control policy shall be open to public inspection during the Police Department's regular business hours. The policy adopted under this section is a public record open for inspection under R.C. § 149.43.

(3) The Police Department, with custody of property to be disposed of under this section or R.C. §§ 2981.12 or 2981.13, shall make a reasonable effort to locate persons entitled to possession of the property, to notify them of when and where it may be claimed, and to return the property to them at the earliest possible time. In the absence of evidence identifying persons entitled to possession, it is sufficient notice to advertise in a newspaper of general circulation in the

county and to briefly describe the nature of the property in custody and inviting persons to view and establish their right to it.

(4) As used in this section:

CITIZENS' REWARD PROGRAM. Has the same meaning as in R.C. § 9.92.

LAW ENFORCEMENT AGENCY. Includes correctional institutions.

TOWNSHIP LAW ENFORCEMENT AGENCY. Means an organized police department of a township, a township police district, a joint police district, or the office of a township constable.

(B) *Disposition of unclaimed or forfeited property.*

(1) Unclaimed or forfeited property in the custody of the Police Department, other than property described in division (A)(1)(b) of this section, shall be disposed of by order of any court of record that has territorial jurisdiction over the municipality, as follows:

(a) Drugs shall be disposed of pursuant to R.C. § 3719.11 or placed in the custody of the Secretary of the Treasury of the United States for disposal or use for medical or scientific purposes under applicable federal law.

(b) Firearms and dangerous ordnance suitable for police work may be given to a law enforcement agency for that purpose. Firearms suitable for sporting use or as museum pieces or collectors' items may be sold at public auction pursuant to division (B)(2) of this section. The Police Department may sell other firearms and dangerous ordnance to a federally licensed firearms dealer in a manner that the court considers proper. The Police Department shall destroy any firearms or dangerous ordnance not given to a law enforcement agency or sold or shall send them to the Bureau of Criminal Identification and Investigation for destruction by the Bureau.

(c) Obscene materials shall be destroyed.

(d) Beer, intoxicating liquor, or alcohol seized from a person who does not hold a permit issued under R.C. Chapters 4301 and 4303 or otherwise forfeited to the state for an offense under R.C. § 4301.45 or R.C. § 4301.53 shall be sold by the Division of Liquor Control if the Division determines that it is fit for sale or shall be placed in the custody of the Investigations Unit in the Ohio Department of Public Safety and be used for training relating to law enforcement activities. The Ohio Department of Public Safety, with the assistance of the Division of Liquor Control, shall adopt rules in accordance with R.C. Chapter 119 to provide for the distribution to state or local law enforcement agencies upon their request. If any tax imposed under R.C. Title 43 has not been paid in relation to the beer, intoxicating liquor, or alcohol, any moneys acquired from the sale shall first be used to pay the tax. All other money collected under this division (B)(1)(d) shall be paid into the State Treasury. Any beer, intoxicating liquor, or alcohol that the Division determines to be unfit for sale shall be destroyed.

(e) 1. Any mobile instrumentality forfeited under R.C. Chapter 2981 may be given to the law enforcement agency that initially seized the mobile instrumentality for use in performing its duties, if the agency wants the mobile instrumentality. The agency shall take the mobile instrumentality subject to any security interest or lien on the mobile instrumentality.

2. Vehicles and vehicle parts forfeited under R.C. §§ 4549.61 to 4549.63 may be given to a law enforcement agency for use in performing its duties. Those parts may be incorporated into any other official vehicle. Parts that do not bear vehicle identification numbers or derivatives of them may be sold or disposed of as provided by rules of the Director of Public Safety. Parts from which a vehicle identification number or derivative of it has been removed, defaced, covered, altered, or destroyed and that are not suitable for police work or incorporation into an official vehicle shall be destroyed and sold as junk or scrap.

(f) Computers, computer networks, computer systems, and computer software suitable for police work may be given to a law enforcement agency for that purpose or disposed of under division (B)(2) of this section.

(g) Money seized in connection with a violation of R.C. § 2905.32, 2907.21, or 2907.22 shall be deposited in the Victims of Human Trafficking Fund created by R.C. § 5101.87.

(2) Unclaimed or forfeited property that is not described in division (B)(1) of this section or division (A)(1)(b) of this section, with court approval, may be used by the law enforcement agency in possession of it. If it is not used by the agency, it may be sold without appraisal at a public auction to the highest bidder for cash or disposed of in another manner

that the court considers proper.

(3) Except as provided in divisions (B)(1) and (B)(5) of this section and after compliance with division (B)(4) of this section when applicable, any moneys acquired from the sale of property disposed of pursuant to this section shall be placed in the General Revenue Fund of the state, or the General Fund of the municipality.

(4) If the property was in the possession of the Police Department in relation to a delinquent child proceeding in a juvenile court, 10% of any moneys acquired from the sale of property disposed of under this section shall be applied to one or more community addiction services providers, as defined in R.C. § 5119.01. A juvenile court shall not specify a services provider, except as provided in this division, unless the services provider is in the same county as the court or in a contiguous county. If no services provider is located in any of those counties, the juvenile court may specify a services provider anywhere in Ohio. The remaining 90% of the proceeds or cash shall be applied as provided in division (B)(3) of this section.

(5) (a) If the Board of County Commissioners recognizes a citizens' reward program under R.C. § 9.92, the Board shall notify the Police Department of the recognition by filing a copy of its resolution conferring that recognition with the Police Department. When the Board recognizes a citizens' reward program and the county includes a part, but not all, of the territory of the municipality, the Board shall so notify the Police Department of the recognition of the citizens' reward program only if the county contains the highest percentage of the municipality's population.

(b) Upon being so notified, the Police Department shall pay 25% of any forfeited proceeds or cash derived from each sale of property disposed of pursuant to this section to the citizens' reward program for use exclusively to pay rewards. No part of the funds may be used to pay expenses associated with the program. If a citizens'

reward program that operates in more than one county or in another state in addition to this state receives funds under this section, the funds shall be used to pay rewards only for tips and information to law enforcement agencies concerning offenses committed in the county from which the funds were received.

(6) Any property forfeited under R.C. Chapter 2981 not be used to pay any fine imposed upon a person who is convicted of or pleads guilty to an underlying criminal offense or a different offense arising out of the same facts and circumstances.

(7) Any moneys acquired from the sale of personal effects, tools, or other property seized because the personal effects, tools, or other property were used in the commission of a violation of R.C. § 2905.32, 2907.21, or 2907.22 or derived from the proceeds of the commission of a violation of R.C. § 2905.32, 2907.21, or 2907.22 and disposed of pursuant to this division (B) shall be placed in the Victims of Human Trafficking Fund created by R.C. § 5101.87. (R.C. § 2981.12) (Rev. 2016)

(C) *Disposition of contraband, proceeds, or instrumentalities.* Except as otherwise provided in R.C. § 2981.13, property ordered forfeited as contraband, proceeds, or an instrumentality pursuant to R.C. Chapter 2981 shall be disposed of, used, or sold pursuant to division (B) of this section or R.C. § 2981.12. If the property is to be sold under division (B) of this section or R.C. § 2981.12, the prosecutor shall cause notice of the proposed sale to be given in accordance with law.

§ 1.18 IMPOSING SENTENCE FOR MISDEMEANOR.

(A) (1) A court that imposes a sentence under this chapter upon an offender for a misdemeanor or minor misdemeanor has discretion to determine the most effective way to achieve the purposes and principles of sentencing set forth in § 1.99(B).

(2) Unless a specific sanction is required to be imposed or is precluded from being imposed by the section setting forth an offense or the penalty for an offense or by any provision of § 1.99 of this code or R.C. §§ 2929.23 through 2929.28, a court that imposes a sentence upon an offender for a misdemeanor may impose on the offender any sanction or combination of sanctions under § 1.99(C) through (G). The court shall not impose a sentence that imposes an unnecessary burden on local government resources.

(B) (1) In determining the appropriate sentence for a misdemeanor, the court shall consider all of the following factors:

(a) The nature and circumstances of the offense or offenses;

(b) Whether the circumstances regarding the offender and the offense or offenses indicate that the offender has a history of persistent criminal activity and that the offender's character and condition reveal a substantial risk

that the offender will commit another offense;

(c) Whether the circumstances regarding the offender and the offense or offenses indicate that the offender's history, character, and condition reveal a substantial risk that the offender will be a danger to others and that the offender's conduct has been characterized by a pattern of repetitive, compulsive, or aggressive behavior with heedless indifference to the consequences;

(d) Whether the victim's youth, age, disability, or other factor made the victim particularly vulnerable to the offense or made the impact of the offense more serious;

(e) Whether the offender is likely to commit future crimes in general, in addition to the circumstances described in divisions (B)(1)(b) and (B)(1)(c) of this section;

(f) Whether the offender has an emotional, mental, or physical condition that is traceable to the offender's service in the armed forces of the United States and that was a contributing factor in the offender's commission of the offense or offenses;

(g) The offender's military service record.

(2) In determining the appropriate sentence for a misdemeanor, in addition to complying with division (B)(1) of this section, the court may consider any other factors that are relevant to achieving the purposes and principles of sentencing set forth in § 1.99(B).

(C) Before imposing a jail term as a sentence for a misdemeanor, a court shall consider the appropriateness of imposing a community control sanction or a combination of community control sanctions under § 1.99(D), (E), (F), and (G). A court may impose the longest jail term authorized under § 1.99(C) only upon offenders who commit the worst forms of the offense or upon offenders whose conduct and response to prior sanctions for prior offenses demonstrate that the imposition of the longest jail term is necessary to deter the offender from committing a future crime.

(D) (1) A sentencing court shall consider any relevant oral or written statement made by the victim, the defendant, the defense attorney, or the prosecuting authority regarding sentencing for a misdemeanor. This division does not create any rights to notice other than those rights authorized by R.C. Chapter 2930.

(2) At the time of sentencing for a misdemeanor or as soon as possible after sentencing, the court shall notify the victim of the offense of the victim's right to file an application for an award of reparations pursuant to R.C. §§ 2743.51 through 2743.72.

§ 1.19 MULTIPLE SENTENCES.

(A) A prison term, jail term, or sentence of imprisonment shall be served concurrently with any other prison term, jail term, or sentence of imprisonment imposed by a court of this municipality, this state, another state, or the United States.

§ 1.20 SELF DEFENSE: LIMITATIONS ON DUTY TO RETREAT PRIOR TO USING FORCE.

(A) As used in this section, **RESIDENCE** and **VEHICLE** have the same meanings as in R.C. § 2901.05.

(B) For purposes of any section of this code that sets forth a criminal offense, a person who lawfully is in that person's residence has no duty to retreat before using force in self defense, defense of another, or defense of that person's residence, and a person who lawfully is an occupant of that person's vehicle or who lawfully is an occupant in a vehicle owned by an immediate family member of the person has no duty to retreat before using force in self defense or defense of another.

§ 1.99 PENALTY FOR CHAPTER I.

(A) *Generally.* Except where otherwise specifically classified within the body of the section of a chapter, a violation of such section shall be deemed a misdemeanor punishable upon conviction by a fine of not more than \$500.

(B) *Considerations in misdemeanor sentencing.*

(1) A court that sentences an offender for a misdemeanor or minor misdemeanor violation of any provision of the Ohio Revised Code, or of any municipal ordinance that is substantially equivalent to a misdemeanor or minor

misdemeanor violation of a provision of the Ohio Revised Code, shall be guided by the overriding purposes of misdemeanor sentencing. The overriding purposes of misdemeanor sentencing are to protect the public from future crime by the offender and others and to punish the offender. To achieve those purposes, the sentencing court shall consider the impact of the offense upon the victim and the need for changing the offender's behavior, rehabilitating the offender, and making restitution to the victim of the offense, the public, or the victim and the public.

(2) A sentence imposed for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall be reasonably calculated to achieve the two overriding purposes of misdemeanor sentencing set forth in division (B)(1) of this section, commensurate with and not demeaning to the seriousness of the offender's conduct and its impact upon the victim, and consistent with sentences imposed for similar offenses committed by similar offenders.

(3) A court that imposes a sentence upon an offender for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall not base the sentence upon the race, ethnic background, gender, or religion of the offender.

(4) Divisions (B)(1) and (B)(2) of this section shall not apply to any offense that is disposed of by a traffic violations bureau of any court pursuant to Traffic Rule 13 and shall not apply to any violation of any provision of the Ohio Revised Code that is a minor misdemeanor and that is disposed of without a court appearance. Divisions (B)(1) through (B)(3) of this section do not affect any penalties established by the municipality for a violation of its ordinances that are not substantially equivalent to a misdemeanor or minor misdemeanor violation of a provision of the Ohio Revised Code.

(C) *Nonresidential sanction where jail term is not mandatory.*

(1) Except when a mandatory jail term is required by law, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, may impose upon the offender any nonresidential sanction or combination of nonresidential sanctions authorized under this division. Nonresidential sanctions include but are not limited to the following:

(a) A term of day reporting;

(b) A term of house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, a term of electronic monitoring or continuous alcohol monitoring without house arrest, or a term of house arrest without electronic monitoring or continuous alcohol monitoring;

(c) A term of community service of up to 500 hours for misdemeanor of the first degree or 200 hours for a misdemeanor of the second, third, or fourth degree;

(d) A term in a drug treatment program with a level of security for the offender as determined necessary by the court;

(e) A term of intensive probation supervision;

(f) A term of basic probation supervision;

(g) A term of monitored time;

(h) A term of drug and alcohol use monitoring, including random drug testing;

(i) A curfew term;

(j) A requirement that the offender obtain employment;

(k) A requirement that the offender obtain education or training;

(l) Provided the court obtains the prior approval of the victim, a requirement that the offender participate in victim-offender mediation;

(m) If authorized by law, suspension of the offender's privilege to operate a motor vehicle, immobilization or forfeiture of the offender's motor vehicle, a requirement that the offender obtain a valid motor vehicle operator's license, or any other related sanction;

(2) If the court imposes a term of community service pursuant to division (F)(1)(c) of this section, the offender may request that the court modify the sentence to authorize the offender to make a reasonable contribution, as determined by the court, to the general fund of the county, municipality, or other local entity that provides funding to the court. The court may grant the request if the offender demonstrates a change in circumstances from the date the court imposes the sentence or that the modification would otherwise be in the interests of justice. If the court grants the request, the offender shall make a reasonable contribution to the court, and the clerk of the court shall deposit that contribution into the general fund of the county, municipality, or other local entity that provides funding to the court. If more than one entity provides funding to the court, the clerk shall deposit a percentage of the reasonable contribution equal to the percentage of funding the entity provides to the court in that entity's general fund.

(3) In addition to the sanctions authorized under division (F)(1) of this section, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, upon an offender who is not required to serve a mandatory jail term may impose any other sanction that is intended to discourage the offender or other persons from committing a similar offense if the sanction is reasonably related to the overriding purposes and principles of misdemeanor sentencing.

(4) The court imposing a sentence for a minor misdemeanor may impose a term of community service in lieu of all or part of a fine. The term of community service imposed for a minor misdemeanor shall not exceed 30 hours. After imposing a term of community service, the court may modify the sentence to authorize a reasonable contribution, as determined by the court, to the appropriate general fund as provided in division (F)(2) of this section.
(R.C. § 2929.27) (Rev. 2012)

(D) *Financial sanctions.*

(1) In addition to imposing court costs pursuant to R.C. § 2947.23, the court imposing a sentence upon an offender for a misdemeanor, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this division. If the court in its discretion imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include but are not limited to the following:

(a) *Restitution.*

1. Unless the misdemeanor offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender's crime or any survivor of the victim, in an amount based upon the victim's economic loss. The court may not impose restitution as a sanction pursuant to this division if the offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

2. If the court imposes restitution, the court shall determine the amount of restitution to be paid by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim, or survivor disputes the amount of restitution. If the court holds an evidentiary hearing, at the hearing the victim or survivor has the burden to prove by a preponderance of the evidence the amount of restitution sought from the offender.

3. All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender. No person may introduce evidence of an award of restitution under this section in a civil action for purposes of imposing liability against an insurer under R.C. § 3937.18.

4. If the court imposes restitution, the court may order that the offender pay a surcharge, of not more than 5% of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

5. The victim or survivor of the victim may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

(b) *Fines.* A fine of the type described in divisions (G)(1)(b)1. and (G)(1)(b)2. of this section payable to the appropriate entity as required by law:

1. A fine in the following amount:
 - a. For a misdemeanor of the first degree, not more than \$1,000;
 - b. For a misdemeanor of the second degree, not more than \$750;
 - c. For a misdemeanor of the third degree, not more than \$500;
 - d. For a misdemeanor of the fourth degree, not more than \$250;
 - e. For a minor misdemeanor, not more than \$150.
2. A state fine or cost as defined in R.C. § 2949.111.

(c) *Reimbursement.*

1. Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including but not limited to the following:

a. All or part of the costs of implementing any community control sanction, including a supervision fee under R.C. § 2951.021;

b. All or part of the costs of confinement in a jail or other residential facility, including but not limited to a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined;

c. All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under R.C. § 4510.13.

2. The amount of reimbursement under division (D)(1)(c)1. of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that division. If the court does not order reimbursement under that division, confinement costs may be assessed pursuant to a repayment policy adopted under R.C. § 2929.37. In addition, the offender may be required to pay the fees specified in R.C. § 2929.38 in accordance with that section.

(2) (a) If the court determines a hearing is necessary, the court may hold a hearing to determine whether the offender is able to pay the financial sanction imposed pursuant to this division (D) or court costs or is likely in the future to be able to pay the sanction or costs.

(b) If the court determines that the offender is indigent and unable to pay the financial sanction or court costs, the court shall consider imposing and may impose a term of community service under division (C)(1) of this section in lieu of imposing a financial sanction or court costs. If the court does not determine that the offender is indigent, the court may impose a term of community service under division (C)(1) of this section in lieu of or in addition to imposing a financial sanction under this division (D) and in addition to imposing court costs. The court may order community service for a minor misdemeanor pursuant to division (C)(4) of this section in lieu of or in addition to imposing a financial sanction under this section and in addition to imposing court costs. If a person fails to pay a financial sanction or court costs, the court may order community service in lieu of the financial sanction or court costs.

(3) (a) The offender shall pay reimbursements imposed upon the offender pursuant to division (D)(1)(c) of this section to pay the costs incurred by a county pursuant to any sanction imposed under division (C), or (D) of this section to the county treasurer. The county treasurer shall deposit the reimbursements in the county's General Fund. The county shall use the amounts deposited in the fund to pay the costs incurred by the county pursuant to any sanction imposed under division (C), or (D) of this section.

(b) The offender shall pay reimbursements imposed upon the offender pursuant to division (D)(1)(c) of this section to pay the costs incurred by a municipal corporation pursuant to any sanction imposed under division (C), or (D) of this section to the treasurer of the municipal corporation. The treasurer shall deposit the reimbursements in the municipal corporation's General Fund. The municipal corporation shall use the amounts deposited in the fund to pay the costs incurred by the municipal corporation pursuant to any sanction imposed under division (C), or (D) of this section.

(c) The offender shall pay reimbursements imposed pursuant to division (D)(1)(c) of this section for the costs incurred by a private provider pursuant to a sanction imposed under division (C), or (D) of this section to the provider.

(4) (a) Except as otherwise provided in this division (D)(4), a financial sanction imposed under division (D)(1) of this section is a judgment in favor of the state or the political subdivision that operates the court that imposed the financial sanction, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (D)(1)(c)1.a. of this section upon an offender is a judgment in favor of the entity administering the community control sanction, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (D)(1)(c)1.b. of this section upon an offender confined in a jail or other residential facility is a judgment in favor of the entity operating the jail or other residential facility, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of restitution imposed pursuant to division (D)(1)(a) of this section is an order in favor of the victim of the offender's criminal act that can be collected through a certificate of judgment as described in division (D)(4)(b)1. of this section, through execution as described in division (D)(4)(b)2. of this section or through an order as described in division (D)(4)(b)3. of this section and the offender shall be considered for purposes of the collection as a judgment debtor.

(b) Once a financial sanction is imposed as a judgment or order under this division, the victim, private provider, state, or political subdivision may do any of the following:

1. Obtain from the clerk of the court in which the judgment was entered a certificate of judgment that shall be in the same manner and form as a certificate of judgment issued in a civil action;

(3) When an organization is convicted of an offense not specifically classified, and the penalty provided includes a higher fine than that provided in this section, then the penalty imposed shall be pursuant to the penalty provided for violation of the section defining the offense.

(D) (1) This section does not apply to manufacturers, licensed health professionals authorized to prescribe drugs, pharmacists, owners of pharmacies, and other persons whose conduct is in accordance with R.C. If the offender previously has been convicted of a violation of division (B) of this section, R.C. § 3719.05, 3719.06, 3719.13, 3719.172(B), or 3719.31, or a drug abuse offense, a violation of division (B) of this section is a misdemeanor of the first degree.

§ 1.99 PENALTY FOR CHAPTER I.

(A) *Generally.* Except where otherwise specifically classified within the body of the section of a chapter, a violation of such section shall be deemed a misdemeanor punishable upon conviction by a fine of not more than \$500.

(B) *Considerations in misdemeanor sentencing.*

(1) A court that sentences an offender for a misdemeanor or minor misdemeanor violation of any provision of the Ohio Revised Code, or of any municipal ordinance that is substantially equivalent to a misdemeanor or minor misdemeanor violation of a provision of the Ohio Revised Code, shall be guided by the overriding purposes of misdemeanor sentencing. The overriding purposes of misdemeanor sentencing are to protect the public from future crime by the offender and others and to punish the offender. To achieve those purposes, the sentencing court shall consider the impact of the offense upon the victim and the need for changing the offender's behavior, rehabilitating the offender, and making restitution to the victim of the offense, the public, or the victim and the public.

(2) A sentence imposed for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall be reasonably calculated to achieve the two overriding purposes of misdemeanor sentencing set forth in division (B)(1) of this section, commensurate with and not demeaning to the seriousness of the offender's conduct and its impact upon the victim, and consistent with sentences imposed for similar offenses committed by similar offenders.

(3) A court that imposes a sentence upon an offender for a misdemeanor or minor misdemeanor violation of an Ohio Revised Code provision or for a violation of a municipal ordinance that is subject to division (B)(1) of this section shall not base the sentence upon the race, ethnic background, gender, or religion of the offender.

(4) Divisions (B)(1) and (B)(2) of this section shall not apply to any offense that is disposed of by a traffic violations bureau of any court pursuant to Traffic Rule 13 and shall not apply to any violation of any provision of the Ohio Revised Code that is a minor misdemeanor and that is disposed of without a court appearance. Divisions (B)(1) through (B)(3) of this section do not affect any penalties established by the municipality for a violation of its ordinances that are not substantially equivalent to a misdemeanor or minor misdemeanor violation of a provision of the Ohio Revised Code.

(C) *Nonresidential sanction where jail term is not mandatory.*

(1) Except when a mandatory jail term is required by law, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, may impose upon the offender any nonresidential sanction or combination of nonresidential sanctions authorized under this division. Nonresidential sanctions include but are not limited to the following:

(a) A term of day reporting;

(b) A term of house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, a term of electronic monitoring or continuous alcohol monitoring without house arrest, or a term of house arrest without electronic monitoring or continuous alcohol monitoring;

(c) A term of community service of up to 500 hours for misdemeanor of the first degree or 200 hours for a misdemeanor of the second, third, or fourth degree;

(d) A term in a drug treatment program with a level of security for the offender as determined necessary by the court;

(e) A term of intensive probation supervision;

(f) A term of basic probation supervision;

- (g) A term of monitored time;
- (h) A term of drug and alcohol use monitoring, including random drug testing;
- (i) A curfew term;
- (j) A requirement that the offender obtain employment;
- (k) A requirement that the offender obtain education or training;

(l) Provided the court obtains the prior approval of the victim, a requirement that the offender participate in victim-offender mediation;

(m) If authorized by law, suspension of the offender's privilege to operate a motor vehicle, immobilization or forfeiture of the offender's motor vehicle, a requirement that the offender obtain a valid motor vehicle operator's license, or any other related sanction;

(2) If the court imposes a term of community service pursuant to division (F)(1)(c) of this section, the offender may request that the court modify the sentence to authorize the offender to make a reasonable contribution, as determined by the court, to the general fund of the county, municipality, or other local entity that provides funding to the court. The court may grant the request if the offender demonstrates a change in circumstances from the date the court imposes the sentence or that the modification would otherwise be in the interests of justice. If the court grants the request, the offender shall make a reasonable contribution to the court, and the clerk of the court shall deposit that contribution into the general fund of the county, municipality, or other local entity that provides funding to the court. If more than one entity provides funding to the court, the clerk shall deposit a percentage of the reasonable contribution equal to the percentage of funding the entity provides to the court in that entity's general fund.

(3) In addition to the sanctions authorized under division (F)(1) of this section, the court imposing a sentence for a misdemeanor, other than a minor misdemeanor, upon an offender who is not required to serve a mandatory jail term may impose any other sanction that is intended to discourage the offender or other persons from committing a similar offense if the sanction is reasonably related to the overriding purposes and principles of misdemeanor sentencing.

(4) The court imposing a sentence for a minor misdemeanor may impose a term of community service in lieu of all or part of a fine. The term of community service imposed for a minor misdemeanor shall not exceed 30 hours. After imposing a term of community service, the court may modify the sentence to authorize a reasonable contribution, as determined by the court, to the appropriate general fund as provided in division (F)(2) of this section.

(R.C. § 2929.27) (Rev. 2012)

(D) *Financial sanctions.*

(1) In addition to imposing court costs pursuant to R.C. § 2947.23, the court imposing a sentence upon an offender for a misdemeanor, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this division. If the court in its discretion imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include but are not limited to the following:

(a) *Restitution.*

1. Unless the misdemeanor offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender's crime or any survivor of the victim, in an amount based upon the victim's economic loss. The court may not impose restitution as a sanction pursuant to this division if the offense is a minor misdemeanor or could be disposed of by the Traffic Violations Bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

2. If the court imposes restitution, the court shall determine the amount of restitution to be paid by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim, or survivor disputes the amount of restitution. If the court holds an evidentiary hearing, at the hearing the victim or survivor has the burden to prove by a preponderance of the evidence the amount of restitution sought from the offender.

3. All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender. No person may introduce evidence of an award of restitution under this section in a civil action for purposes of imposing liability against an insurer under R.C. § 3937.18.

4. If the court imposes restitution, the court may order that the offender pay a surcharge, of not more than 5% of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

5. The victim or survivor of the victim may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

(b) *Fines.* A fine of the type described in divisions (G)(1)(b)1. and (G)(1)(b)2. of this section payable to the appropriate entity as required by law:

1. A fine in the following amount:
 - a. For a misdemeanor of the first degree, not more than \$1,000;
 - b. For a misdemeanor of the second degree, not more than \$750;
 - c. For a misdemeanor of the third degree, not more than \$500;
 - d. For a misdemeanor of the fourth degree, not more than \$250;
 - e. For a minor misdemeanor, not more than \$150.
2. A state fine or cost as defined in R.C. § 2949.111.

(c) *Reimbursement.*

1. Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including but not limited to the following:

- a. All or part of the costs of implementing any community control sanction, including a supervision fee under R.C. § 2951.021;
- b. All or part of the costs of confinement in a jail or other residential facility, including but not limited to a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined;
- c. All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under R.C. § 4510.13.

2. The amount of reimbursement under division (D)(1)(c)1. of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that division. If the court

does not order reimbursement under that division, confinement costs may be assessed pursuant to a repayment policy adopted under R.C. § 2929.37. In addition, the offender may be required to pay the fees specified in R.C. § 2929.38 in accordance with that section.

(2) (a) If the court determines a hearing is necessary, the court may hold a hearing to determine whether the offender is able to pay the financial sanction imposed pursuant to this division (D) or court costs or is likely in the future to be able to pay the sanction or costs.

§ 2.04 SIGNAL LIGHTS.

Highway traffic signal indications for vehicles and pedestrians shall have the following meanings:

(A) *Steady green signal indication.*

(1) (a) Vehicular traffic facing a circular green signal indication is permitted to proceed straight through or turn right or left or make a u-turn movement except as such movement is modified by a lane-use sign, turn prohibition sign, lane marking, roadway design, separate turn signal indication, or other traffic control device. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

1. Pedestrians lawfully within an associated crosswalk;
2. Other vehicles lawfully within the intersection.

(b) In addition, vehicular traffic turning left or making a u-turn movement to the left shall yield the right-of-way to other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(2) Vehicular traffic facing a green arrow signal indication, displayed alone or in combination with another signal indication, is permitted to cautiously enter the intersection only to make the movement indicated by such arrow, or such other movement as is permitted by other indications displayed at the same time. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

- (a) Pedestrians lawfully within an associated crosswalk;
- (b) Other traffic lawfully using the intersection.

(3) (a) Unless otherwise directed by a pedestrian signal indication, as provided in R.C. § 4511.14, pedestrians facing a circular green signal indication are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. The pedestrian shall yield the right-of-way to vehicles lawfully within the intersection or so close as to create an immediate hazard at the time that the green signal indication is first displayed.

(b) Pedestrians facing a green arrow signal indication, unless otherwise directed by a pedestrian signal indication or other traffic control device, shall not cross the roadway.

(B) *Steady yellow signal indication.*

(1) Vehicular traffic facing a steady circular yellow signal indication is thereby warned that the related green movement or the related flashing arrow movement is being terminated or that a steady red signal indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection. The provisions governing vehicular operation under the movement being terminated shall continue to apply while the steady circular yellow signal indication is displayed.

(2) Vehicular traffic facing a steady yellow arrow signal indication is thereby warned that the related green arrow movement or the related flashing arrow movement is being terminated. The provisions governing vehicular operation under the movement being terminated shall continue to apply while the steady yellow arrow signal indication is displayed.

(3) Pedestrians facing a steady circular yellow or yellow arrow signal indication, unless otherwise directed by a pedestrian signal indication as provided in R.C. § 4511.14 or other traffic control device, shall not start to cross the roadway.

(C) *Steady red signal indication.*

(1) (a) Vehicular traffic facing a steady circular red signal indication, unless entering the intersection to make another movement permitted by another signal indication, shall stop at a clearly marked stop line; but if there is no stop line, traffic shall stop before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, then before entering the intersection; and shall remain stopped until a signal indication to proceed is displayed except as provided in divisions (C)(1), (C)(2), and (C)(3) of this section.

(b) Except when a traffic control device is in place prohibiting a turn on red or a steady red arrow signal indication is displayed, vehicular traffic facing a steady circular red signal indication is permitted, after stopping, to enter the intersection to turn right, or to turn left from a one-way street into a one-way street. The right to proceed with the turn shall be subject to the provisions that are applicable after making a stop at a stop sign.

(2) (a) Vehicular traffic facing a steady red arrow signal indication shall not enter the intersection to make the movement indicated by the arrow and, unless entering the intersection to make another movement permitted by another signal indication, shall stop at a clearly marked stop line; but if there is no stop line, before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, then before entering the intersection; and shall remain stopped until a signal indication or other traffic control device permitting the movement indicated by such red arrow is displayed.

(b) When a traffic control device is in place permitting a turn on a steady red arrow signal indication, vehicular traffic facing a steady red arrow indication is permitted, after stopping, to enter the intersection to turn right, or to turn left from a one-way street into a one-way street. The right to proceed with the turn shall be limited to the direction indicated by the arrow and shall be subject to the provisions that are applicable after making a stop at a stop sign.

(3) Unless otherwise directed by a pedestrian signal indication as provided in R.C. § 4511.14 or other traffic control device, pedestrians facing a steady circular red or steady red arrow signal indication shall not enter the roadway.

(4) Local authorities by ordinance, or the Director of Transportation on state highways, may prohibit a right or a left turn against a steady red signal at any intersection, which shall be effective when signs giving notice thereof are posted at the intersection.

(D) *Flashing green signal indication.* A flashing green signal indication has no meaning and shall not be used.

(E) *Flashing yellow signal indication.*

(1) (a) Vehicular traffic, on an approach to an intersection, facing a flashing circular yellow signal indication, is permitted to cautiously enter the intersection to proceed straight through or turn right or left or make a u-turn movement except as such movement is modified by lane-use signs, turn prohibition signs, lane markings, roadway design, separate turn signal indications, or other traffic control devices. Such vehicular traffic, including vehicles turning right or left or making a u-turn movement, shall yield the right-of-way to both of the following:

1. Pedestrians lawfully within an associated crosswalk;
2. Other vehicles lawfully within the intersection.

(b) In addition, vehicular traffic turning left or making a u-turn to the left shall yield the right-of-way to

other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(2) (a) Vehicular traffic, on an approach to an intersection, facing a flashing yellow arrow signal indication, displayed alone or in combination with another signal indication, is permitted to cautiously enter the intersection only to make the movement indicated by such arrow, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic, including vehicles turning right or left or making a u-turn, shall yield the right-of-way to both of the following:

1. Pedestrians lawfully within an associated crosswalk;
2. Other vehicles lawfully within the intersection.

(b) In addition, vehicular traffic turning left or making a u-turn to the left shall yield the right-of-way to other vehicles approaching from the opposite direction so closely as to constitute an immediate hazard during the time when such turning vehicle is moving across or within the intersection.

(3) Pedestrians facing any flashing yellow signal indication at an intersection, unless otherwise directed by a pedestrian signal indication or other traffic control device, are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. Pedestrians shall yield the right-of-way to vehicles lawfully within the intersection at the time that the flashing yellow signal indication is first displayed.

(4) When a flashing circular yellow signal indication is displayed as a beacon to supplement another traffic control device, road users are notified that there is a need to pay additional attention to the message contained thereon or that the regulatory or warning requirements of the other traffic control device, which might not be applicable at all times, are currently applicable.

(F) *Flashing red signal indication.*

(1) Vehicular traffic, on an approach to an intersection, facing a flashing circular red signal indication, shall stop at a clearly marked stop line; but if there is no stop line, before entering the crosswalk on the near side of the intersection; or if there is no crosswalk, at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection. The right to proceed shall be subject to the provisions that are applicable after making a stop at a stop sign.

(2) Pedestrians facing any flashing red signal indication at an intersection, unless otherwise directed by a pedestrian signal indication or other traffic control device, are permitted to proceed across the roadway within any marked or unmarked associated crosswalk. Pedestrians shall yield the right-of-way to vehicles lawfully within the intersection at the time that the flashing red signal indication is first displayed.

(3) When a flashing circular red signal indication is displayed as a beacon to supplement another traffic control device, road users are notified that there is a need to pay additional attention to the message contained thereon or that the regulatory requirements of the other traffic control device, which might not be applicable at all times, are currently applicable. Use of this signal indication shall be limited to supplementing stop, do not enter, or wrong way signs, and to applications where compliance with the supplemented traffic control device requires a stop at a designated point.

(G) In the event an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal.

(H) This section does not apply at railroad grade- crossings. Conduct of drivers of vehicles approaching railroad grade crossings shall be governed by R.C. §§ 4511.61 and 4511.62.

§ 2.05 AMBIGUOUS OR NON-WORKING TRAFFIC SIGNALS.

(A) The driver of a vehicle who approaches an intersection where traffic is controlled by traffic-control signals shall do all of the following, if the signal facing the driver either exhibits no colored lights or colored lighted arrows or exhibits a combination of such lights or arrows that fails to clearly indicate the assignment of right-of-way:

(1) Stop at a clearly marked stop line, but if none, stop before entering the crosswalk on the near side of the intersection, or, if none, stop before entering the intersection;

(2) Yield the right-of-way to all vehicles in the intersection or approaching on an intersecting road, if the vehicles will constitute an immediate hazard during the time the driver is moving across or within the intersection or junction of roadways;

(3) Exercise ordinary care while proceeding through the intersection.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (B) (1) Except as otherwise provided in this division, whoever violates division (A)(1) or (A)(3) of this section is guilty of a misdemeanor of the third degree. If a violation of division (A)(1) or (A)(3) of this section creates a risk of physical harm to any person, the offender is guilty of a misdemeanor of the first degree. If a violation of division (A)(1) or (A)(3) of this section causes serious physical harm to property that is owned, leased, or controlled by a state or local authority, the offender is guilty of a felony to be prosecuted under appropriate state law.

(C) Whoever violates this section is guilty of operating a motor vehicle or motorcycle without a valid license and shall be punished as follows:

(1) If the trier of fact finds that the offender never has held a valid driver's or commercial driver's license issued by this state or any other jurisdiction, or, in a case involving the operation of a motorcycle by the offender, if the offender has never held a valid license as a motorcycle operator, either in the form of an endorsement upon a driver's or commercial driver's license or in the form of a restricted license, except as otherwise provided in this division, the offense is an unclassified misdemeanor. When the offense is an unclassified misdemeanor, the offender shall be sentenced pursuant to § 130.18, § 130.99 or R.C. §§ 2929.21 to 2929.28, except that the offender shall not be sentenced to a jail term; the offender shall not be sentenced to a community residential sanction pursuant to § 130.99(E) or R.C. § 2929.26; notwithstanding § 130.99(G)(1)(b)1. and R.C. § 2929.28(A)(2)(a), the offender may be fined up to \$1,000; and, notwithstanding § 130.99(F)(1)(c) and R.C. § 2929.27(A)(3), the offender may be ordered pursuant to § 130.99(F)(3) or R.C. § 2929.27(C) to serve a term of community service of up to 500 hours. The failure of an offender to complete a term of community service imposed by the court may be punished as indirect criminal contempt under R.C. § 2705.02(A) that may be filed in the underlying case. If the offender previously has been convicted of or pleaded guilty to any violation of this section or a substantially equivalent municipal ordinance, the offense is a misdemeanor of the first degree.

(2) If the offender's driver's or commercial driver's license or permit or, in a case involving the operation of a motorcycle by the offender, the offender's driver's or commercial driver's license bearing the motorcycle endorsement or the offender's restricted license was expired at the time of the offense, except as otherwise provided in this division, the offense is a minor misdemeanor. If within three years of the offense, the offender previously has been convicted of or pleaded guilty to two or more violations of this section or a substantially equivalent municipal ordinance, the offense is a misdemeanor of the first degree.

(D) The court shall not impose a license suspension for a first violation of this section or if more than three years have passed since the offender's last violation of R.C. § 4510.12, this section, or a substantially equivalent municipal ordinance.

(E) If the offender is sentenced under division (C)(2) of this section, if within three years of the offense the offender previously was convicted of or pleaded guilty to one or more violations of R.C. § 4510.12, this section, or a substantially equivalent municipal ordinance, and if the offender's license was expired for more than six months at the time of the offense, the court may impose a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(7).

§ 2.17 FAILURE TO REINSTATE LICENSE.

(A) No person whose driver's license, commercial driver's license, temporary instruction permit, or nonresident's operating privilege has been suspended shall operate any motor vehicle upon a public road or highway or any public or private property after the suspension has expired unless the person has complied with all license reinstatement requirements imposed by the court, the bureau of motor vehicles, or another provision of the Ohio Revised Code.

(B) Upon the request or motion of the prosecuting authority, a non-certified copy of the law enforcement automated data system report or a non-certified copy of a record of the Registrar of Motor Vehicles that shows the name, date of birth, and social security number of a person charged with a violation of division (A) of this section may be admitted into evidence as prima facie evidence that the license of the person had not been reinstated by the person at the time of the alleged violation of division (A) of this section. The person charged with a violation of division (A) of this section may offer evidence to rebut this prima facie evidence.

(C) Whoever violates this section is guilty of failure to reinstate a license, and shall be punished as follows:

(1) Except as provided in division (C)(2) of this section, whoever violates this section is guilty of an unclassified misdemeanor. When the offense is an unclassified misdemeanor, the offender shall be sentenced pursuant to § 130.18, § 130.99 or R.C. §§ 2929.21 to 2929.28, except that the offender shall not be sentenced to a jail term; the offender shall not be sentenced to a community residential sanction pursuant to § 130.99(E) or R.C. § 2929.26; notwithstanding § 130.99(G)(1)(b)1. and R.C. § 2929.28(A)(2)(a), the offender may be fined up to \$1,000; and, notwithstanding § 130.99(F)(1)(c) and R.C. § 2929.27(A)(3), the offender may be ordered pursuant to § 130.99(F)(3) or R.C. § 2929.27(C) to serve a term of community service of up to 500 hours. The failure of an offender to complete a term of community service imposed by the court may be punished as indirect criminal contempt under R.C. § 2705.02(A) that may be filed in the underlying case.

(2) If, within three years of a violation of division (A) of this section, the offender previously has pleaded guilty to or been convicted of two or more violations of this section, R.C. § 4510.21 or a substantially equivalent municipal ordinance, the offender is guilty of a misdemeanor of the first degree.

(3) In all cases, the court may impose upon the offender a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary driver's license, or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(7).

(D) It is an affirmative defense to any prosecution brought under this section that the alleged offender drove under suspension, without a valid permit or driver's or commercial driver's license, or in violation of a restriction because of a substantial emergency, and because no other person was reasonably available to drive in response to the emergency.

- (2) When an obstruction exists making it necessary to drive to the left of the center of the highway; provided, any person so doing shall yield the right-of-way to all vehicles traveling in the proper direction upon the unobstructed portion of the highway within such distance as to constitute an immediate hazard;

- (4) When driving upon a roadway designated and posted with signs for one-way traffic;
- (5) When otherwise directed by a police officer or traffic-control device.

(B) (1) Upon all roadways any vehicle proceeding at less than the prevailing and lawful speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic, and far enough to the right to allow passing by faster vehicles if such passing is safe and reasonable, except under any of the following circumstances:

- (a) When overtaking and passing another vehicle proceeding in the same direction;
- (b) When preparing for a left turn;
- (c) When the driver must necessarily drive in a lane other than the right-hand lane to continue on the driver's intended route.

(2) Nothing in division (B)(1) of this section requires a driver of a slower vehicle to compromise the driver's safety to allow overtaking by a faster vehicle.

(C) Upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, no vehicle shall be driven to the left of the center line of the roadway, except when authorized by official traffic-control devices designating certain lanes to the left of the center of the roadway for use by traffic not otherwise permitted to use the lanes, or except as permitted under division (A)(2) of this section. This division shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road, or driveway.

(D) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (1) The operator of a vehicle overtaking another vehicle proceeding in the same direction shall, except as provided in division (A)(3) of this section, signal to the vehicle to be overtaken, shall pass to the left thereof at a safe distance, and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

(2) Except when overtaking and passing on the right is permitted, the operator of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle at the latter's audible signal, and the operator shall not increase the speed of the operator's vehicle until completely passed by the overtaking vehicle.

(3) The operator of a vehicle overtaking and passing another vehicle proceeding in the same direction on a divided highway as defined in R.C. § 4511.35, a limited access highway as defined in R.C. § 5511.02, or a highway with four or more traffic lanes is not required to signal audibly to the vehicle being overtaken and passed.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (2) Upon a roadway with unobstructed pavement of sufficient width for two or more lines of vehicles moving

lawfully in the direction being traveled by the overtaking vehicle.

(B) The driver of a vehicle may overtake and pass another vehicle only under conditions permitting the movement in safety. The movement shall not be made by driving off the roadway.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. (A) No vehicle shall be driven to the left of the center of the roadway in overtaking and passing traffic proceeding in the same direction, unless the left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit the overtaking and passing to be completely made without interfering with the safe operation of any traffic approaching from the opposite direction or any traffic overtaken. In every event, the overtaking vehicle must return to an authorized lane of travel as soon as practicable, and in the event the passing movement involves the use of a lane authorized

for the traffic approaching from the opposite direction, before coming within 200 feet of any approaching vehicle.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (A) No vehicle shall be driven upon the left side of the roadway under the following conditions:

- (2) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct, or tunnel; or
- (3) When approaching within 100 feet of or traversing any intersection or railroad grade crossing.

(B) This section does not apply to vehicles upon a one-way roadway, upon a roadway where traffic is lawfully directed to be driven to the left side, or under the conditions described in R.C. § 4511.25(A)(2) or a substantially equivalent municipal ordinance.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

§ 2.28 HAZARDOUS ZONES.

(A) The Department of Transportation may determine those portions of any state highway where overtaking and passing other traffic or driving to the left of the center or center line of the roadway would be especially hazardous, and may, by appropriate signs or markings on the highway, indicate the beginning and end of such zones. When signs or markings are in place and clearly visible, every operator of a vehicle shall obey the directions of the signs or markings, notwithstanding the distances set out in R.C. § 4511.30.

(B) Division (A) of this section does not apply when all of the following apply:

- (1) The slower vehicle is proceeding at less than half the speed of the speed limit applicable to that location.
- (2) The faster vehicle is capable of overtaking and passing the slower vehicle without exceeding the speed limit.
- (3) There is sufficient clear sight distance to the left of the center or center line of the roadway to meet the overtaking and passing provisions of R.C. § 4511.29, considering the speed of the slower vehicle.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or

traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

§ 2.29 RULES FOR DRIVING IN MARKED LANES.

(A) Whenever any roadway has been divided into two or more clearly marked lanes for traffic, or wherever within the municipality traffic is lawfully moving in two or more substantially continuous lines in the same direction, the following

rules apply:

(1) A vehicle shall be driven, as nearly as is practicable, entirely within a single lane or line of traffic and shall not be moved from the lane or line until the driver has first ascertained that the movement can be made with safety.

(2) Upon a roadway which is divided into three lanes and provides for the two-way movement of traffic, a vehicle shall not be driven in the center lane, except when overtaking and passing another vehicle where the roadway is clearly visible and the center lane is clear of traffic within a safe distance, or when preparing for a left turn, or where the center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding, and is posted with signs to give notice of such allocation.

(3) Official signs may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction, regardless of the center of the roadway, or restricting the use of a particular lane to only buses during certain hours or during all hours, and drivers of vehicles shall obey the directions of such signs.

(4) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway, and drivers of vehicles shall obey the directions of every such device.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. (2) The driver of any truck, or motor vehicle drawing another vehicle, when traveling upon a roadway outside a business or residence district, shall maintain a sufficient space, whenever conditions permit, between the vehicle and another vehicle ahead so an overtaking motor vehicle may enter and occupy the space without danger. This division does not prevent overtaking and passing nor does it apply to any lane specially designated for use by trucks.

This division applies only when the emergency vehicle or public safety vehicle is responding to an emergency call, is equipped with and displaying at least one flashing, rotating, or oscillating light visible under normal atmospheric conditions from a distance of 500 feet to the front of the vehicle, and when the driver of the vehicle is giving an audible signal by siren, exhaust whistle, or bell. (2) When required, a signal of intention to turn or move right or left shall be given continuously during not less than the last 100 feet traveled by the vehicle before turning, except that in the case of a person operating a bicycle, the signal shall be made not less than one time but is not required to be continuous. A bicycle operator is not required to make a signal if the bicycle is in a designated turn lane, and a signal shall not be given when the operator's hands are needed for the safe operation of the bicycle.

If the offender previously has been convicted of or pleaded guilty to one or more violations of this section or R.C. § 4511.63, 4511.76, 4511.761, 4511.762, 4511.764, 4511.77, or 4511.79, or a municipal ordinance that is substantially equivalent to any of those sections, whoever violates this section is guilty of a misdemeanor of the fourth degree.

(A) No person shall operate or move any crawler-type tractor, steam shovel, derrick, roller, or any equipment or structure having a normal operating speed of six or less miles per hour or a vertical body or load clearance of less than nine inches above the level surface of a roadway, upon or across any tracks at a railroad grade crossing without first complying with divisions (A)(1) and (A)(2) of this section.

(1) Before making any such crossing, the person operating or moving any such vehicle or equipment shall first stop the same, and while stopped, the person shall listen and look in both directions along the track for any approaching train and for signals indicating the approach of a train, and shall proceed only upon exercising due care.

(2) No such crossing shall be made when warning is given by automatic signal, crossing gates, or a flagperson, or otherwise of the immediate approach of a railroad train or car.

(B) If the normal sustained speed of the vehicle, equipment, or structure is not more than three miles per hour, the person owning, operating, or moving the same shall also give notice of the intended crossing to a station agent or superintendent of the railroad, and a reasonable time shall be given to the railroad to provide proper protection for the crossing. Where the vehicles or equipment are being used in constructing or repairing a section of highway lying on both sides of a railroad grade crossing, and in this construction or repair it is necessary to repeatedly move the vehicles or equipment over the crossing, one daily notice specifying when the work will start and stating the hours during which it will be prosecuted is sufficient.

(C) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

§ 2.54 REGULATIONS CONCERNING SCHOOL BUSES.

(A) The driver of a vehicle, upon meeting or overtaking from either direction any school bus stopped for the purpose of receiving or discharging any school child, person attending programs offered by community boards of mental health and county boards of developmental disabilities, or child attending a program offered by a head start agency, shall stop at least ten feet from the front or rear of the school bus and shall not proceed until such school bus resumes motion, or until signaled by the school bus driver to proceed. It is no defense to a charge under this division that the school bus involved failed to display or be equipped with an automatically extended stop warning sign as required by division (B) of this section.

(B) Every school bus shall be equipped with amber and red visual signals meeting the requirements of R.C. § 4511.771 or a substantially equivalent municipal ordinance, and an automatically extended stop warning sign of a type approved by the state Board of Education, which shall be actuated by the driver of the bus whenever but only whenever the bus is stopped or stopping on the roadway for the purpose of receiving or discharging school children, persons attending programs offered by community boards of mental health and county boards of developmental disabilities, or children attending programs offered by head start agencies. A school bus driver shall not actuate the visual signals or the stop warning sign in designated school bus loading areas where the bus is entirely off the roadway or at school buildings when children or persons attending programs offered by community boards of mental health and county boards of developmental disabilities are loading or unloading at curbside or at buildings when children attending programs offered by head start agencies are loading or unloading at curbside. The visual signals and stop warning sign shall be synchronized or otherwise operated as required by rule of the Board.

(C) Where a highway has been divided into four or more traffic lanes, a driver of a vehicle need not stop for a school bus approaching from the opposite direction which has stopped for the purpose of receiving or discharging any school child, persons attending programs offered by community boards of mental health and county boards of developmental disabilities, or children attending programs offered by head start agencies. The driver of any vehicle overtaking the school bus shall comply with division (A) above.

(D) School buses operating on divided highways or on highways with four or more traffic lanes shall receive and discharge all school children, persons attending programs offered by community boards of mental health and county boards of developmental disabilities, and children attending programs offered by head start agencies on their residence side of the highway.

(E) No school bus driver shall start the driver's bus until after any child, person attending programs offered by community boards of mental health and county boards of developmental disabilities, or child attending a program offered by a head start agency who may have alighted therefrom has reached a place of safety on the child's or person's residence side of the road.

(F) (1) Whoever violates division (A) of this section may be fined an amount not to exceed \$500. A person who is issued a citation for a violation of division (A) of this section is not permitted to enter a written plea of guilty and waive the person's right to contest the citation in a trial but instead must appear in person in the proper court to answer the charge.

(2) In addition to and independent of any other penalty provided by law, the court or mayor may impose upon an offender who violates this section a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license or nonresident operating privilege from the range specified in R.C. § 4510.02(A)(7). When a license is suspended under this section, the court or mayor shall cause the offender to deliver the license to the court, and the court or clerk of the court immediately shall forward the license to the Registrar of Motor Vehicles, together with notice of the court's action.

and of the operator of the vehicle to the law enforcement agency exercising jurisdiction over the area where the alleged violation occurred. The information contained in the report relating to the license plate number and to the general description of the vehicle and the operator of the vehicle at the time of the alleged violation may be supplied by any person with first-hand knowledge of the information. Information of which the operator of the school bus has first-hand knowledge also may be corroborated by any other person.

(C) Upon receipt of the report of the alleged violation of R.C. § 4511.75(A) or a substantially equivalent municipal ordinance, the law enforcement agency shall conduct an investigation to attempt to determine the identity of the operator of the vehicle at the time of the alleged violation. If the identity of the operator at the time of the alleged violation is established, the reporting of the license plate number of the vehicle shall establish probable cause for the law enforcement agency to issue a citation for the violation of R.C. § 4511.75(A) or a substantially equivalent municipal ordinance. However, if the identity of the operator of the vehicle at the time of the alleged violation cannot be established, the law enforcement agency shall issue a warning to the owner of the vehicle at the time of the alleged violation, except in the case of a leased or rented vehicle when the warning shall be issued to the lessee at the time of the alleged violation.

driving mechanism of the vehicle.

(B) No passenger in a vehicle shall ride in a position as to interfere with the driver's view ahead or to the sides, or to interfere with the driver's control over the driving mechanism of the vehicle.

(C) No person shall open the door of a vehicle on the side available to moving traffic unless and until it is reasonably safe to do so, and can be done without interfering with the movement of other traffic, nor shall any person leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers.

(D) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. § 2.58 DRIVING UPON SIDEWALK AREA OR PATHS EXCLUSIVELY FOR BICYCLES.

(A) (1) No person shall drive any vehicle, other than a bicycle, upon a sidewalk or sidewalk area, except upon a permanent or duly authorized temporary driveway.

(B) (1) No person shall operate a motor vehicle, snowmobile, or all-purpose vehicle upon any path set aside for the exclusive use of bicycles, when an appropriate sign giving notice of such use is posted on the path.

(2) Nothing in this section shall be construed to affect any rule of the Director of Natural Resources governing the operation of motor vehicles, snowmobiles, all-purpose vehicles, and bicycles on lands under the Director's jurisdiction.

If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (2) This division (B) does not relieve the driver of a public safety vehicle, emergency vehicle, road service vehicle, vehicle used by the Public Utilities Commission to conduct motor vehicle inspections in accordance with R.C. §§ 4923.04 and 4923.06, or a highway maintenance vehicle from the duty to drive with due regard for the safety of all persons and property upon the highway.

(2) A child who weighs less than 40 pounds.

(B) When any child who is in either or both of the following categories is being transported in a motor vehicle, other than a taxicab, that is owned, leased, or otherwise under the control of a nursery school or day-care center, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer's instructions in a child restraint system that meets federal motor vehicle safety standards:

- (1) A child who is less than four years of age;
- (2) A child who weighs less than 40 pounds.

(C) When any child who is less than eight years of age and less than four feet nine inches in height, who is not required by division (A) or (B) of this section to be secured in a child restraint system, is being transported in a motor vehicle, other than a taxicab or public safety vehicle as defined in R.C. § 4511.01 or a vehicle that is regulated under R.C. § 5104.015, that is required by the United States Department of Transportation to be equipped with seat belts at the time of manufacture or assembly, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer's instructions on a booster seat that meets federal motor vehicle safety standards.

(E) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of a motor vehicle being operated on any street or highway to stop the motor vehicle for the sole purpose of determining whether a violation of division (C) or (D) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of division (C) or (D) of this section or causing the arrest of or commencing a prosecution of a person for a violation of division (C) or (D) of this section, and absent another violation of law, a law enforcement officer's view of the interior or visual inspection of a motor vehicle being operated on any street or highway may not be used for the purpose of determining whether a violation of division (C) or (D) of this section has been or is being committed.

(F) The Director of Public Safety shall adopt such rules as are necessary to carry out this section.

(G) The failure of an operator of a motor vehicle to secure a child in a child restraint system, a booster seat, or an occupant restraining device as required in this section is not negligence imputable to the child, is not admissible as evidence in any civil action involving the rights of the child against any other person allegedly liable for injuries to the child, is not to be used as a basis for a criminal prosecution of the operator of the motor vehicle other than a prosecution for a violation of this section, and is not admissible as evidence in any criminal action involving the operator of the motor vehicle other than a prosecution for a violation of this section.

(H) This section does not apply when an emergency exists that threatens the life of any person operating or occupying a motor vehicle that is being used to transport a child who otherwise would be required to be restrained under this section. This section does not apply to a person operating a motor vehicle who has an affidavit signed by a physician licensed to practice in this state under R.C. Chapter 4731 or a chiropractor licensed to practice in this state under R.C. (I) Nothing in this section shall be construed to require any person to carry with the person the birth certificate of a child to prove the age of the child, but the production of a valid birth certificate for a child showing that the child was not of an age to which this section applies is a defense against any ticket, citation, or summons issued for violating this section.

(J) (1) Whoever violates division (A), (B), (C), or (D) of this section shall be punished as follows, provided that the failure of an operator of a motor vehicle to secure more than one child in a child restraint system, booster seat, or occupant restraining device as required by this section that occurred at the same time, on the same day, and at the same location is deemed to be a single violation of this section:

(a) Except as otherwise provided in division (J)(1)(b) of this section, the offender is guilty of a minor misdemeanor and shall be fined not less than \$25 nor more than \$75.

(b) If the offender previously has been convicted of or pleaded guilty to a violation of division (A), (B), (C), or (D) of this section or of a state law or municipal ordinance that is substantially equivalent any of those divisions, the offender is guilty of a misdemeanor of the fourth degree.

Chapter 4734 that states that the person has a physical impairment that makes use of an occupant restraining device impossible or impractical.

(D) *Officers not permitted to stop cars to determine violation.* Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of division (B) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for the violation or for causing the arrest of or commencing a prosecution of a person for the violation. No law enforcement officer shall view the interior or visually inspect any automobile being operated on any street or highway for the sole purpose of determining whether the violation has been or is being committed.

But, the trier of fact may determine based on evidence admitted consistent with the Ohio Rules of Evidence that the failure contributed to the harm alleged in the tort action and may diminish a recovery of compensatory damages that represents non-economic loss, as defined in R.C. § 2307.011, in a tort action that could have been recovered but for the plaintiff's failure to wear all of the available elements of a properly adjusted occupant restraining device. Evidence of that failure shall not be used as a basis for a criminal prosecution of the person other than a prosecution for a violation of this section; and shall not be admissible as evidence in a criminal action involving the person other than a prosecution for a violation of this section.

(2) If, at the time of an accident involving a passenger car equipped with occupant restraining devices, any occupant of the passenger car who sustained injury or death was not wearing an available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

- (a) It seeks to recover damages for injury or death to the occupant;
- (b) The defendant in question is the manufacturer, designer, distributor, or seller of the passenger car;

(A) No person shall operate a motor vehicle at a speed greater or less than is reasonable or proper, having due regard for the traffic, surface, and width of the street or highway and any other conditions, and no person shall drive any motor vehicle in and upon any street or highway at a greater speed than will permit him or her to bring it to a stop within the assured clear distance ahead.

(B) It is prima facie lawful, in the absence of a lower limit declared or established pursuant to this section by the Director of Transportation or local authorities, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:

(1) (a) Twenty miles per hour in school zones during school recess and while children are going to or leaving

school during the opening or closing hours, and when 20 miles per hour school speed limit signs are erected, except that on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by division (B)(4) of this section, and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by divisions (B)(9) and (B)(10) of this section. The end of every school zone may be marked by a sign indicating the end of the zone. Nothing in this section or in the *Manual and Specifications for a Uniform System of Traffic-Control Devices* shall be construed to require school zones to be indicated by signs equipped with flashing or other lights, or giving other special notice of the hours in which the school zone speed limit is in effect.

(b) As used in this section, **SCHOOL** means any school chartered under R.C. § 3301.16 and any nonchartered school that during the preceding year filed with the Department of Education in compliance with O.A.C. § 3301-35-08, a copy of the school's report for the parents of the school's pupils certifying that the school meets state minimum standards for nonchartered, nontax-supported schools and presents evidence of this filing to the jurisdiction from which it is requesting the establishment of a school zone. The term also includes a special elementary school that in writing requests the County Engineer to create a school zone at the location of the school. Upon receipt of such written request, the County Engineer shall create a school zone at that location by erecting appropriate signs.

(c) As used in this section, **SCHOOL ZONE** means that portion of a street or highway passing a school fronting upon the street or highway that is encompassed by projecting the school property lines to the fronting street or highway, and also includes that portion of a state highway. Upon request from local authorities for streets and highways under their jurisdiction and that portion of a state highway under the jurisdiction of the Director of Transportation or a request from a County Engineer in the case of a school zone for a special elementary school, the Director may extend the traditional school zone boundaries. The distances in divisions (B)(1)(c)1. through (B)(1)(c)3. below shall not exceed 300 feet per approach per direction, and are bounded by whichever of the following distances or combination thereof the Director approves as most appropriate:

1. The distance encompassed by projecting the school building lines normal to the fronting highway and extending a distance of 300 feet on each approach direction;

2. The distance encompassed by projecting the school property lines intersecting the fronting highway and extending a distance of 300 feet on each approach direction;

3. The distance encompassed by the special marking of the pavement for a principal school pupil crosswalk plus a distance of 300 feet on each approach direction of the highway.

(d) Nothing in this section shall be construed to invalidate the Director's initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in divisions (B)(1)(a) and (B)(1)(c) of this section.

(e) As used in this division, **CROSSWALK** has the meaning given that term in R.C. § 4511.01(LL)(2).

(f) The Director may, upon request by resolution of the Legislative Authority and upon submission by the municipality of such engineering, traffic, and other information as the Director considers necessary, designate a school zone on any portion of a state route lying within the municipality that includes a crosswalk customarily used by children going to or leaving a school during recess and opening and closing hours, whenever the distance, as measured in a straight line, from the school property line nearest the crosswalk to the nearest point of a crosswalk is no more than 1,320 feet. Such a school zone shall include the distance encompassed by the crosswalk and extending 300 feet in each appropriate direction of the state route.

(7) Fifteen miles per hour on all alleys within the municipality;

(8) Thirty-five miles per hour on highways outside the municipality that are within an island jurisdiction;

(9) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the Director under R.C. § 4511.21(H)(2);

No person shall be convicted of more than one violation of this section for the same conduct, although

violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(D) No person shall operate a motor vehicle upon a street or highway as follows:

(1) At a speed exceeding 55 miles per hour, except upon a two-lane state route as provided in division (B)(9) of this section and upon a highway, expressway or freeway as provided in divisions (B)(12), (B)(13), (B)(14) and (B)(16) of this section;

(E) Pursuant to R.C. § 4511.21(E), in every charge of violating this section, the affidavit and warrant shall specify the time, place and speed at which the defendant is alleged to have driven, and in charges made in reliance upon division (C) of this section also the speed which division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of, or a limit declared or established pursuant to, this section or R.C. § 4511.21 declares is prima facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to stop within the assured clear distance ahead, the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(F) Pursuant to R.C. § 4511.21(F), when a speed in excess of both a prima facie limitation and a limitation in division (D) of this section is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of this section, or of a limit declared or established pursuant to this section or R.C. § 4511.21 by the Director or local authorities, and of the limitation in division (D) of this section. If it finds no violation of division (B)(1)(a), (B)(2), (B)(3), (B)(4), (B)(6), (B)(7) or (B)(8) of, or a limit declared or established pursuant to, this section or R.C. § 4511.21, it shall then consider whether the evidence supports a conviction under division (D) of this section.

(G) Pursuant to R.C. § 4511.21(G), points shall be assessed for a violation of a limitation under division (D) of this section in accordance with R.C. § 4510.036.
