ASHLEY SWIMMING POOL

It is sad to see the pool season will be coming to an end after the Labor Day weekend. We had a rough year at the pool with the lack of lifeguards but hoping next year will be better. We hope to have lifeguards so we can be open *all week* next year. We would like to thank the lifeguards, council members; Dean Mosier, Elaine

McFarland for their time spent at the pool, Ray Jean Brown, Village workers for taking care of the pool during the times it was closed, the Village of Cardington for their help in getting us lifeguards and most important, our customers. We could not have done it without all of you. The Pool will be open Labor Day Weekend, Saturday, Sunday and Monday - FREE ADMISSION.

Home Water Leak Checklist

Even small leaks can lose a lot of water. A dripping faucet can waste as much as 25 gallons of water per day. Take the time to check your home for water leaks. This checklist will help you identify all the areas to check for leaks.

INDOORS

Kitchen:

- Sink Faucet
- Dishwasher
- Refrigerator Ice-Maker

Bathrooms:

- Sink Faucet
- Showerhead
- Tub Faucet
- Toilet *

Laundry Room:

- Washing Machine
- Laundry Sink Faucet

Other Indoor Locations:

- Hot Water Heater
- Water Treatment Units

OUTDOORS

- Water Faucets
- Sprinkler System
- Swimming Pool
- Hot Tub or Jacuzzi

*To test your toilet for leaks, place 3 or 4 drops of food coloring in the toilet tank. Let the toilet set for one to two hours without using or flushing. If the color shows up in the bowl, you have a leak.

Happy Labor Day
