

Dear residents,  
 Nearly a month has passed since taking over the reins from former Mayor Jim Nelson. Even with my council experience, there is a lot to learn and build upon to serve the village effectively. Our council with its' new members has met once and we are underway with the business of 2024. Dean Mosier has been elected by council to serve as Council President. After receiving competitive bids, we renewed our waste hauling contract with WinWaste. Please contact village staff if you have any service issues. We are waiting to learn if our finance applications for additional state funds will be approved. These will help pay for needed water and sewer improvement projects. I'm available to discuss our projects' goals and costs if you have an interest to learn more. As always, I encourage you to attend village meetings to contribute to improving our village.

Best wishes,  
 David Lockhart
