You will receive an email notification each time a new bill is ready for you to view and pay. Email notifications go to the email address used when you registered.

Security

Is my information secure?

PSN uses the highest standards in Internet security. Account information displayed within the payment portal is truncated to protect confidential data. Any information retained is not shared with third parties.

Is my credit card and checking account information safe when I pay online?

Absolutely. PSN will safely store your financial information using Payment Card Industry (PCI) Compliant systems. This includes truncating (abbreviating) account numbers so that even we do not see your complete account information.

What is PCI Compliance and why is it so important?

PCI stands for Payment Card Industry, and compliance with the industry standards is a requirement for those that accept the major credit cards and for software providers who have applications which involve the transmission and/or storage of credit card information.
